Dear Bill,

I would like to take this opportunity to thank you and all your staff for your partnership in making the hundreds of events we worked together on this year a success. Hong has always been accommodating and instrumental in managing the multiple unique requests in support of our mutual customers. I have never felt more confident in an organization, certainly with the coordination of manpower needed to handle the quantity and variety of events we have, which range in sizes from 10 to 1500 people. I have never felt any hesitation in recommending your services to anyone who asks and I look forward to working with you in the future.

Thanks again!
